Caucus Overview

As a Temporary Precinct Caucus Chair, you are responsible for ensuring a smooth and successful caucus in your precinct. From registration to post-caucus follow up. This guide will walk you through the process of hosting a successful 2024 Caucus.

Let’s start with the basics.

When:
Caucus night is Monday, January 15th, 2024. Your caucus will begin at 7:00pm with registration opening between 6:00-6:30pm. Your County Chair will help you determine when your registration process should begin.

Who:
Any Iowan who is eligible to vote in the November 2024 general election AND who is a registered Democrat may participate in the Iowa Caucus. Attendees may register on Caucus Night to update their current registration, change party affiliation, or register for the first time. Non-eligible voters are allowed to observe the caucus but not participate.
The 2024 Iowa Democratic Party in-person precinct caucuses will focus on three major priorities.

| PARTY BUSINESS | • Provide updates from the state party and county party; and introduce local candidates  
|                | • Fundraise for state and local party |
| PRECINCT ELECTIONS | • Elect precinct central committee members who will serve as voting members on the county central committees  
|                  | • Elect county convention delegates and alternates  
|                  | • Elect county convention committee members |
| PLATFORM DEVELOPMENT | • Discuss and adopt resolutions to recommend to the County Platforms Committee |
| WHAT’S DIFFERENT FOR 2024? | • No presidential preference will be taken during the in-person precinct caucuses. Instead, Iowa Democrats may request a presidential preference card and submit their preference through the mail. The deadline to request a preference card is February 19. The results of the mail-in presidential preference will be released on March 5. |
BEFORE CAUCUS NIGHT

The caucus preparation you do ahead of January 15th will help ensure a smooth and successful Caucus Night. The better prepared you are, the greater likelihood those in attendance will leave with a positive feeling about the Iowa Democratic Party.

PREPARE YOUR LOCATION

One of the easiest ways to plan for a successful caucus is to create an environment that flows seamlessly and is set up for the business at hand. While you may already be familiar with your Caucus Location, you should visit the site before Caucus Night and plan it out.

GLOSSARY

LOCATION MANAGER

Many counties will organize caucus locations that contain clusters of precincts. The Location Manager will be the point person for a caucus location that has multiple precincts. Duties include kicking off the caucus (with all precincts together), sharing announcements, and introducing speakers. The Location Manager will also make an announcement when it's time to break out by precincts to hold elections. At the end of the night, they will be responsible for reporting for their location.

CAUCUS CHAIR

The Caucus Chair is responsible for leading their precinct's meeting. This includes leading the group through election of permanent officers, elections for central committee, delegates, alternates, and convention committee members, and platform resolutions. They will be in charge of making sure their paperwork gets to the Location Manager.

CAUCUS SECRETARY

The Caucus Secretary will assist the Caucus Chair in leading their precinct meeting. The main duties include assisting in vote counting and writing legibly the names and contact information for all individuals that are elected on the Summary of Caucus Results Form. They will also be in charge of collecting Platform Resolutions Forms that will be passed on to the County Platform Committee.
CHECK YOUR PACKET

Your Precinct Packet contains all the information you will need to run your precinct Caucus. Familiarize yourself with the various forms and other materials inside the packet before Caucus Night.

Turn to Appendix A, page 18: “What's In My Packet?” for more information.

FIND YOUR SPECIFIC PRECINCT INFORMATION

Your packet contains some information that is specific to your precinct. Make sure you have all the information by answering these questions:

- Do you have the correct packet for your precinct?
- What is your precinct code?
- How many total delegates will you be electing?
- How many convention committee members will you be electing?

• Where will attendees park? Do you need signs to indicate that?
• Where will registration tables be? Who is providing tables?
• If you are in a location with other Precincts, where will your Precinct breakout space be?
• Are there enough chairs? Will there be a sound system?
• Will attendees have access to a restroom?
• What directional signage do you need? What doors will you be using?
• Do you have the name and contact information for the location manager?
• Do you have access to wifi? Do you have the password?
GATHER SUPPLIES
In addition to your packet, you will need to bring a few supplies to conduct your caucus. Pack a bag or box with the following items to bring with you:

- Pens, pencils, and erasers / highlighters and markers
- Extra paper for signs, notes, and ballots
- Multipurpose masking tape (aka Blue Painter’s Tape)
- A stapler with extra staples, paper clips
- A watch or a clock
- Cell phone and charger
- Calculator
- Laptop/tablet and charger (at least two per location)
- Extension cords and power strip

RECRUIT VOLUNTEERS
While you will be doing many things to prepare and run your precinct, you should line up volunteers to help you throughout the night. We suggest:

- Tech/Check-in Volunteers: A minimum of two volunteers who can assist with questions regarding the MiniVan check-in process.

- Voter Registration/Troubleshooting Volunteers: These volunteers can assist anyone who needs to register to vote or who have some issues checking in.

- Line Captains: These volunteers help direct attendees if a line forms. They can also note who is in line by 7:00 p.m. and therefore eligible to participate in the caucus.
CAUCUS NIGHT: SET UP

By committing to be a Precinct Chair, or Location manager, if you have multiple precincts in one location, you are agreeing to be a host of your Precinct Caucus. Much like hosting a House Party, your job on Caucus Night begins before guests arrive.

Caucus check-in at your precinct should begin no later than 6:30pm. If you expect a high turnout, you should plan to begin check-in by 6:00pm. Once you set your registration time, you should plan to arrive on-site at least 45 minutes before. Don’t forget to tell your volunteers to arrive at the same time so they can help you set up. When you and your volunteers arrive at your Caucus Location, follow this checklist to make sure you’re ready for your first caucus attendees:

☐ Check entrance doors to make sure they are unlocked
☐ Make sure all entrances are clear of obstacles (including snow and ice) - don’t forget to check the Accessibility entrance if that is separate.
☐ Hang direction signage
☐ Arrange tables and chairs for check-in
☐ Arrange precinct breakout areas with chairs and any signage necessary
☐ Connect with tech volunteers to ensure they have VAN access on laptops
☐ Lay out caucus materials in order in which they will be used
☐ Set out Nomination Papers in a place where they will be signed

---

**Registration Table**
- Tech/Check-in volunteers will sit here and use MiniVAN to check in caucus attendees.
- Or paper copies of the voter file

**Voter Registration Table**
- Voter registration forms
- New Democratic voter forms
- Pens

**Candidate Table**
- Petition forms for statewide and local office
- Candidate materials
- Pens
- Make sure your county name is written on all petition forms
Caucus Night: Registration
The Iowa Democratic Party Precinct Caucus is an open meeting. We have a responsibility to welcome all guests, give eligible caucus participants the opportunity to actively participate, and provide all observers with an opportunity to fully observe the process.

All caucus attendees must sign in AND be registered as a Democrat in this precinct in order to participate in the caucus.

Using MiniVan For Registration
Starting this year, we’re asking counties to check in participants using MiniVan. To use, MiniVan volunteers must have downloaded the MiniVan Touch app onto their smartphone or tablet. Prior to caucus night it is important that your Tech/Check-in volunteers have done the following:

- Downloaded MiniVan Touch on their smartphone or tablet
- Watched the orientation video and familiarize themselves with how to download a new list in MiniVAN
- Received the list code for the specific caucus location from IDP or the County Chair
- Downloaded the list 1-2 days prior to caucus night
- Cell phone service is not needed to access MiniVan, but it is needed to download the list for the caucus location beforehand.

Counties who have opted out of using VAN will use the paper voter file to check in participants.

Every participant who shows up on Caucus Night should fit into one of the following scenarios. Train your registration volunteers to direct each attendee to the appropriate action. Non-participating observers should sign in using the Observer/Press Sign-In form.
Rules for Observers

Caucus observers must follow certain rules as a guest of the Precinct Caucus; the Caucus Chair should inform them of the rules:

- Only eligible, registered caucus participants may vote on caucus matters and elections.
- Observers must remain quiet and not be involved in caucus discussion once the caucus is called to order.

If an attendee does not fit into one of these scenarios, they are likely:

**OBSERVER**

All meetings and events of the Iowa Democratic Party are open to the public, including Precinct Caucuses. Anyone is allowed to observe a caucus, so long as they follow the Rules for Observers.

**YOUTH OBSERVER**

Young people who will not be 18 years old by November 5, 2024, but who are at least 13 years old may attend their Precinct Caucus as a Youth Observer. Additionally, they may sign up on the Youth Delegate Sign-Up form as a youth delegate to their county convention, at which point they will be seated as a youth delegate.

**MEMBER OF THE MEDIA**

Media are allowed to observe and must follow the Rules for Observers.
The Caucus Chair may ask that all be seated or separated in an area other than the area reserved for eligible caucus participants.

Eligible caucus participants are to be considered actively participating in the caucus from the time it is convened until it is adjourned. It is not appropriate for a reporter to interview a caucus participant while the caucus is in session unless the caucus participant agrees to leave the caucus for that purpose.

All facilities at the caucus have been reserved for the caucus participants and the Iowa Democratic Party.

In the event of persistent violations of these rules, the Caucus Chair may ask the disruptive person(s) to leave.

Caucus Night: Caucus Program

1. Check-In & Registration
2. Caucus Called to Order
3. IDP Presentation
4. County Party Presentation
5. Elected Officials & Candidates Presentation
   **Caucus locations should now go into precinct break-out rooms if you began in one larger location together

As a Caucus Chair, your role is to oversee your Precinct's caucus from start to finish. Below is an overview of tasks. The guide offers detailed information about each step of the process. Make sure you're comfortable with your duties before Caucus Night.

Your Responsibilities
During the caucus meeting, your role is to lead caucus attendees through the agenda and oversee the process of electing County Convention Delegates and Alternates, County Convention Committee Members, and Precinct Committee Members and Alternates. You will also oversee the discussion and adoption of platform resolutions.

After the caucus, you will have the important role of reporting your results and submitting all information and paperwork. An overview of your tasks include:

During Caucus
- Call the meeting to order
- Conduct party business
- Oversee elections
- Oversee resolution adoption
- Adjourn the meeting

After Caucus
- Report caucus results via the Google Form
- Gather all paperwork and check for proper completion
- Assemble paperwork into Return Envelopes
- Clean up caucus area
- Deliver Return Envelopes
Caucus Night: Introductory Business

Calling the Caucus to Order

Note: In locations with Multiple precincts, the introductory business will be led by the Location Manager

- At 7:00pm, the Temporary Caucus Chair will call the caucus to order. If people are still in the registration line at 7:00pm, you must wait to call the caucus to order until the last person who was in line by 7:00pm is checked in.
- Briefly read the caucus agenda
- Explain the purpose of the caucus is to:
  - Conduct party business and begin our local organizing efforts for the 2024 election.
  - Elect delegates, alternates, and convention committee members to the County Convention on March 26th.
  - Elect our precinct committee persons to serve on the county central committee.
  - Discuss and adopt platform resolutions.

ELECTING THE PERMANENT CHAIR AND SECRETARY

NOTE: If you are in a location with multiple precincts, the election of Chair and Secretary will occur after you move into your precinct meeting.

- Remind attendees that each caucus must officially elect its leadership.
- Explain that, as the Temporary Chair, you are automatically nominated. Then ask if there are any other nominations. Nominations do not need a second.
- If there is only 1 nominee, elect by acclamation.
  - “Seeing no other nominations, all in favor of electing me as Permanent Chair say ‘Aye.’ Any opposed say ‘Nay.’”
- If there are multiple nominees, a voice vote or show of hands may be used to determine the winner.
- Make sure to follow the same steps to elect a Permanent Secretary.

Iowa Democratic Party Presentation

- Read letters from Chair Rita Hart and Iowa Democratic Black Caucus
- Afterwards, there is a fundraising envelope that can be passed around to help raise money for the IDP to help offset the cost of putting together the caucuses.
County Party Presentation

- The County Party Presentation is an opportunity to introduce the county party to attendees.
- This could be an opportunity to share highlights from the past couple of years (ex. Races won, new volunteers activated, a great event that was hosted, etc).
- Also take the opportunity to let attendees know about ways to get involved (ex. Next central committee meeting, County Convention, upcoming Soup Supper, etc).

Elected Officials and Candidates Presentation

- Recognize any elected officials and offer them the opportunity to give brief remarks.
- Recognize any Democratic candidates (or their surrogates) and offer them the opportunity to give brief remarks.
- Point out the candidate nomination papers and encourage attendees to sign them before leaving.

</table>
NOTE: Your packet label contains the number of members your precinct is electing to each committee.

**What is the Platform Committee?**
Representatives on the Platform Committee will help determine which platform resolutions that were submitted to the County Convention for ratification will appear in the County Democratic Party Platform.

**What is the Committee on Committees?**
Representatives who serve on the Committee on Committee will be divided up among the following committees for the County Convention: Rules, Credentials, and Arrangements. These committees assist with logistics for the County Convention.

**Caucus Night: Platform**
Discussing Platform Resolutions

- The caucus will now discuss and adopt resolutions to be submitted to the County Convention Platform Committee.
- Resolutions (sometimes called planks) may be submitted by any caucus goer. Resolutions should be typed or legibly written and contain the author’s name and contact information.
- You may consider resolutions individually or as a group.

We recommend the following procedure:

- **The Caucus Secretary or Chair** reads the resolution.
- **The Caucus Chair** asks if there is a motion to adopt the resolution. If there is no such motion, the resolution dies.
- **The Caucus Chair** asks for a second to the motion. If there is no such second, the resolution dies.
- **The author** speaks up to 1 minute about the resolution.
- **The Caucus Chair** asks if anyone wishes to speak against the resolution. If so, the speaker gets up to 1 minute to speak.
- **The Caucus Chair** alternates pro and con speeches until no more speakers remain or until time for debate (we recommend a maximum of 5 minutes per resolution) expires.
- **The Caucus Chair** asks for all those in favor of adopting the resolution to say “Aye.” And for all those opposed to say “Nay.”

**NOTE:** Alternatively, the caucus may choose to consider all resolutions as a whole as submitted and vote on the full list of resolutions at the same time.
**Caucus Night: End of Night**

Adjourning the Caucus

The Caucus Chair reminds attendees about February 19th Presidential Preference Card request deadline and asks if there is any other business they wish to come before the caucus. When hearing no further business, the Caucus adjourns the caucus by saying “Hearing no further business, the caucus is now adjourned. Thank you all for coming.”

**Completing Paperwork**

The Caucus Chair and Secretary review all paperwork making sure that:

- The county and precinct names are recorded in all required fields.
- The Chair and Secretary have signed on all required signature lines.
- The Summary of Caucus Results forms are complete and legible.
- Cash and checks are sealed in the IDP Finance Envelope and the Secretary signs their name across the flap.
- Voter Registration forms are sealed in Envelope C.
- Nomination Petition forms are placed back in Envelope A.
- The outer envelopes are hand-delivered to the County Chair. (or Location Manager if you are in a location with multiple precincts).

**Caucus Night: Reporting Results to Iowa Democratic Party**

Accurate Caucus Night reporting is critical to the success of not only your Precinct Caucus, but also the County, District, and State Conventions. There are two steps to reporting caucus results:

1) Submit Google Form Delegate and Committee Person results
   -and-
2) Return Envelope A and all materials to Iowa Democratic Party

If you have trouble submitting results through the Google Form, please take a photo of your caucus results and send them to caucus2024@iowademocrats.org.
Below is a picture of the Caucus of Summary Results Form.

- I hereby call this caucus to order.
- My name is, _______ and I am the temporary chair for this precinct (or Location Manager for this site).
- I’d like to welcome you and thank you for supporting our local and State Democrats.
- We will not be recording Presidential Preference results tonight, if you have a completely Presidential preference Card please drop it in the mail. If you have not requested your Presidential Preference Card please do that through iowademocrats.org/caucus/ by February 19th.
- The primary purpose of our Caucus this evening is to:
  - Elect Precinct Committee Members who will serve as voting members on the county central committee

Anyone who is IN LINE at 7:00 is eligible to participate. If you have a line, you should wait to begin until everyone is registered.
Elect Delegates, Alternates, and Convention Committee Members to the County Convention on Saturday, March 26th
Discuss and adopt resolutions to be recommended to the County Platform Committee

To give you an idea of what the night will look like:
First, we will have a short presentation on behalf of the Iowa Democratic Party
Then, we will talk about our County Party
After that, we’ll conduct Precinct business. Elections this evening and platform discussion will occur in our precinct breakouts.

7:05pm  IDP Presentation
Read letters from Chair Hart and Iowa Democratic Black Caucus.
I’m now going to pass around the IDP Finance Envelope. Every bit helps. If you’re writing a check you can make it out to the Iowa Democratic Party.

7:10pm  County Party Presentation (please personalize where applicable)
Next, we're going to be talking more about our County Party.
We've had a lot of highlights these past two years.
We have a lot of great opportunities coming up and would love to have you all be involved (ex. Next central committee meeting, County Convention, upcoming Soup Supper, etc).
Please make sure to sign up to get involved (ex. We have a sign-in sheet going around, there's a sign-in sheet at the back table, etc).
I will also pass along a fundraising envelope/bucket/etc to help raise funds to support our county party.

7:15pm  Elected Officials & Candidates Presentation
2024 will be an exciting year for Democrats for many reasons, not the least of which is our great slate of candidates running for county, state, and federal office.
We have a table set up with information from many of our candidates. I encourage you to check it out once we adjourn. Candidates also have petition forms on the table. You know how important it is that we have strong Democrats on the ballot. Please consider signing petitions before you leave tonight.
I'd now love to open it up for any of our elected officials or candidates to speak for up to two minutes. Let's first hear from... (ex. This could be candidates for 2024, recently elected local officials in 2023, etc).
7:25pm  Break into Precinct groups (for multi-precinct locations only)

REPEAT ELECTION PROCEDURE FOR PERMANENT SECRETARY

Caucus Wrap-Up

Congratulations on running a successful 2024 Iowa Democratic Party Caucus! You’re almost done with your role as Caucus Chair; the only remaining task is Wrap-up. Use this checklist to make sure your hard work is properly submitted.

Check all forms one final time:

☐ Are all forms complete?
☐ Are all forms signed where required?
☐ Is the writing clear and legible?
☐ Is your County and/or Precinct name written on all forms that require this information?
☐ Do the number of Delegates allotted (on the Precinct Packet label) match the number written on the Summary of Caucus Results Form?
☐ Is the IDP Finance Envelope sealed and signed across the seal?
☐ Did you submit your results through the Google Form? (or did you pass along your paperwork and information to the Locations Manager)?

How to Conduct an Election
Use this guidance to conduct the election of Delegates and Alternates, Convention Committee Members, and Precinct Committee Members, if needed. Before the election, each Candidate should be given equal time to address the voters. Candidates should speak from the front of the room in alphabetical order. A microphone should be used if possible.

The Caucus Secretary should assist in counting. They should record the total number of eligible voters and the number of votes each Candidate receives. The Caucus Chair should announce the results after each election.

If you are electing 3 or fewer Delegates:
- You may elect all 3 in one round of voting.
- In order to win, a Candidate must receive a majority (anything over 50.00%) support from the total number of voters participating in the election.

To conduct the election:
- Instruct the voters that they can each vote for the same number of Candidates as the number of positions to fill (ex. if you’re electing 3 Delegates, each voter can vote for 3 people).
- Ask the voters, “How many people vote for [Candidate A]?”
- Count the number of hands that are raised

NOTE: It is helpful to have at least one other person also counting. The Caucus Secretary should record the total number of eligible voters and the number of votes each Candidate receives.
- Ask the voters, “How many people vote for [Candidate B]? - count the hands raised.
- Continue until you have asked for voters for each Candidate and tallied their results.
- Once the voting is done, tally and check the results, then announce the number each Candidate received.
- The top two vote-getters should be declared winners ONLY IF they receive a majority (over 50.00%) support of the voters.

If you are electing 4 or more Delegates:
- At least 2 rounds of voting will be necessary.
- On the first round of voting, you can elect “half plus one” the number of Delegates you are allotted. (ex. If you have 8 Delegate spots, you can elect up to 5 on the first round).
- In order to win, a Candidate must receive a majority (anything over 50.00%) support from the total number of voters.

NOTE: If your Caucus votes to use written ballots, the process is the same except that each voter will write the name of their preferred Candidates and the Caucus Chair and Secretary will record, tally, and announce the results from paper ballots.
