Delegate Selection Plan

For the 2024 Democratic National Convention

Section I

Introduction & Description of Delegate Selection Process

A. Introduction

1. Iowa has a total of 47 delegates and 3 alternates. *(Call I & Appendix B)*
2. The delegate selection process is governed by the *Charter and Bylaws of the Democratic Party of the United States*, the *Delegate Selection Rules for the 2024 Democratic National Convention* (“Rules”), the *Call for the 2024 Democratic National Convention* (“Call”), the *Regulations of the Rules and Bylaws Committee for the 2024 Democratic National Convention* (“Regs.”), the rules of the Democratic Party of Iowa, the Iowa election code, and this Delegate Selection Plan. *(Call II.A)*
3. Following the state Party Committee’s adoption of this Delegate Selection Plan, the state Party shall submit the Plan for review and approval by the DNC Rules and Bylaws Committee (“RBC”). The state Party Chair shall be empowered to make any technical revisions to this document as required by the RBC to correct any omissions and/or deficiencies as found by the RBC to ensure its full compliance with Party Rules. Such corrections shall be made by the state Party Chair and the Plan resubmitted to the RBC within 30 days of receipt of notice of the RBC’s findings. *(Reg. 2.5, Reg. 2.6 & Reg. 2.7)*
4. Once this Plan has been found in Compliance by the RBC, any amendment to the Plan by the state Party must be submitted to and approved by the RBC before it becomes effective. *(Reg. 2.9)*

B. The Iowa Caucuses

1. The Iowa Caucuses shall consist of an expression of presidential preference, conducted by mail, and in-person precinct caucuses. The precinct caucuses will be held in accordance with Iowa Code (ICO 43.4) at least eight days prior to any other state’s presidential nominating contest, on the same date as the Republican Caucuses. The purpose of the precinct

Iowa 2024 Delegate Selection Plan

caucuses will be to elect unbound delegates and alternates to county conventions, to elect convention committee members and alternates to county convention, elect precinct committee persons, and move platform resolutions to the county convention delegation. No expression of presidential preference will be conducted at the precinct caucuses. Presidential preference cards may be requested online or through the mail beginning November 1, 2023. The last day to request a preference card is February 19, 2024. Presidential preference cards must be submitted by March 5, 2025. Preference cards postmarked on or before March 5, 2024 must arrive within 3 days of the deadline to be accepted. The Iowa Democratic Party is contracting with a professional election vendor to administer the mail-in 2024 presidential preference process. The Iowa Democratic Party will take all possible steps to ensure the success of this plan.

2. Any person who is eligible to vote in the State of Iowa and who will be at least 18 years old on Election Day, November 5, 2024, may participate in the Iowa Caucuses. The eligible caucus participant must be registered as a Democrat or re-register as a Democrat by February 19, 2024.

a. There will be no absentee or proxy voting for delegate or precinct committee positions at any precinct caucus for any reason (IDP Con. Art. XIII, Sec. 2). All expressions of presidential preference will be conducted by non-present participation via preference card during the period for expression of presidential preference by mail.

b. Any person may participate if they are a resident of the precinct, a registered Democrat, are eligible to vote in the precinct, and will be at least 18 years old on Election Day, November 5, 2024.

3. The precinct-level caucuses will be held in accordance with ICO 43.4, at least eight days prior to any other state's presidential nominating contest, and will elect unbound delegates to county conventions. The precinct caucuses will be held the same day as the Republican caucuses. There will be no expression of presidential preference conducted at the precinct caucuses. The results of the mail-in expression of presidential preference shall determine delegate allocation from county conventions to congressional district conventions and the state convention. Each subsequent step in the selection of delegates shall be bound by the results of the mail-in expression of presidential preference.

a. All registered Democrats in the state of Iowa may request a presidential preference card through an online portal or the mail, beginning on November 1, 2023. The last day to request a preference card is February 19, 2024.

Iowa 2024 Delegate Selection Plan

- b. Iowa Democrats must return their presidential preference cards in the mail by March 5, 2024. Preference cards postmarked on March 5, 2024 must arrive within 3 days of the deadline to be accepted.
- c. At 7:00 p.m. on January 15, 2024, the precinct caucus will be called to order by the temporary chair. The temporary chair may be one of the precinct committee members or an eligible designee of the county chair. In a case where a county chair fails to name a designee, the State Chair may designate the temporary chair. Notwithstanding rule A.2.b. in this section, in a case where the temporary chair or temporary secretary has been designated by the county chair or State Chair to lead a precinct other than the precinct in which they are a resident, that chair or secretary may participate fully in the precinct in which they have been assigned.
- d. Nomination papers for Democratic candidates for office other than President may be made available and each person in attendance should be given an opportunity to sign. Additional candidate information may be distributed, read, or placed on display.
- e. The precinct caucus participants shall then nominate and elect a permanent chair and a permanent secretary.
- f. Caucus participants will proceed to elect unbound delegates to the county conventions. Any caucus attendee may nominate any registered Iowa Democrat residing in that precinct as a county delegate or committee person. Candidates are not required to be in-person to be elected.
 - (1) For precinct caucuses, the number of delegates to the county convention will be apportioned by proportional representation based upon the number of Democratic votes during the most recent gubernatorial elections. Delegates will be elected by the caucus as a whole, and not bound to any presidential candidate.
- g. Before the election of delegates begins, the precinct chair must read the following statement: "All public meetings at all levels of the Democratic Party in Iowa shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national

origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. In order that the Democratic Party at all levels be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the Iowa Democratic Party. Discrimination on the basis of 'status' in the conduct of Iowa Democratic Party affairs is prohibited."

- (1) The caucus shall then elect unbound delegates to the county convention.
- h. The caucus may then elect any number of alternate delegates. The Caucus Chair must compile a list of all alternates, along with the contact information of each alternate, to the caucus chair no later than at the conclusion of the caucus.
 - i. The caucus chair or their designee will record the names of its delegates and alternates.
 - j. The number of delegates to be elected by each precinct shall be according to the number determined using the formula that weighs Democratic strength in the precinct multiplied by county delegate totals. The caucus may only elect full delegates. No half-delegates are allowed.
 - k. The entire caucus shall ratify by majority vote the election of the entire slate of delegates and alternates to the county convention. Ratification shall mean only that it is the position of the caucus that the procedures were in conformity with required procedures under the Constitution of the Iowa Democratic Party, and applicable caucus procedures and rules.
 - l. The precinct caucus results and contact information will be sent securely to the Iowa Democratic Party and the appropriate governing county party. Written reports will be returned to the Iowa Democratic Party, county party, county election officials using envelopes identified by each precinct provided by the Iowa

Democratic Party.

- m. The entire caucus shall elect from the delegates or alternates, members to the platform committee and committee on committees for the county convention.
 - n. The entire caucus shall elect the precinct-level county central committee people, (two (2) unless otherwise noted). The caucus chair will report the results of these elections.

 - p. The preliminary results of the mail-in expression of presidential preference will be released on March 5, 2024.
 - q. For the mail-in expression of presidential preference, caucus participants will select one candidate on the preference card. There will be an uncommitted option.
 - r. A presidential candidate must achieve a minimum viability threshold of 15% at the county level to be considered viable for the purposes of electing delegates from the county convention to the state and district conventions.
 - s. The results of the presidential preference at the county level will be recorded and released.
 - t. Once non-viable candidates have been determined, the remaining viable candidates shall be allocated delegates according to their relative strength at the county convention level among viable candidates.
4. Results from the mail-in expression of presidential preference will be centrally tabulated in a secure location by the Iowa Democratic Party and its authorized contractors.
5. The Iowa Democratic Party will release preliminary results of at

least the following information, by county, congressional district, and statewide, on March 5, 2024:

- Raw expression of presidential preference (and percentage) at the county, congressional district and statewide.
- State Delegate Equivalents.
- Candidates delegate allocations by county to district and state conventions.

6. State Delegate Equivalents are determined by apportioning delegates to the state convention based on the results of the mail-in presidential preference and will be the only information used to determine the allocation of district/state delegates elected at the county conventions, the district-level national delegates, Party Leader and Elected Official (PLEO) delegates, and at-large national delegates.

7. Any presidential candidate may request a statewide precinct-level review of caucus results by submitting a request in writing to the Iowa Democratic Party Chair by March 15, 2024. (*Rule 2.K.7*)

- a. Precinct-level reviews will only be conducted statewide. Candidates may not request specific precincts for review. Requests for precinct-level review must include a credible explanation describing the reason for the request.
- b. Requests for precinct-level review must be received by the Chair no later than four days following the publication of the advised postmark deadline at 12:00 p.m.

- d. The Iowa Democratic Party will publish a Recount and Recanvass Procedure Manual on its website.

Iowa 2024 Delegate Selection Plan

- e. 9. Any presidential candidate may request a canvass of statewide results by submitting a request in writing to the Iowa Democratic Party Chair.
 - a. Requests for canvass must include the scope of the desired canvass, a thorough description of the challenge, and an explanation about how the national delegation could be altered as a result of the problem or its correction.
 - b. Requests for canvass must be received by the Chair no later than three (3) days following the publication of the results of the caucuses.
 - c. The Iowa Democratic Party will respond to a request for a canvass within 48 hours of receipt. The response will include an anticipated timeline for the review and an estimate of fees and payment schedule to be assessed to the campaign in order to complete the review.
10. The State Central Committee will certify the mail-in caucus results on March 16, 2024.

C. County Conventions – March 23, 2024

1. Each county determines the starting time for delegate registration and the convening of their county convention.
2. Registration of late-arriving delegates shall remain open for at least one (1) hour after the convention is scheduled to convene. However, as soon as the credentials committee reports to the convention that a quorum of delegates has been seated, the convention may transact official and binding business. A quorum for purposes of this section shall mean forty percent (40%) of the total delegates elected to the convention. A determination of preference groups and the strength of preference groups shall not be determined until all delegates have been received and approved by the convention.
3. If a delegate is unable to attend all or part of the convention, an alternate may take his or her place.

Iowa 2024 Delegate Selection Plan

4. A delegate may choose an alternate from those elected from the same precinct. They must provide in writing the name and contact information of their designated alternate on form to the credentials committee.
5. If a delegate fails to name an alternate, the credentials committee shall seat an alternate based on the following priority order.
 - i. Alternates of the same precinct as the delegate on a first come, first served basis.
 - ii. Alternates of a geographically similar precinct as the delegate.
 - iii. Alternates in any precinct.
6. When an alternate has been designated by a duly elected delegate, he/she shall do so only until the originally elected delegate shall appear at the convention and request of the credentials committee chair their right to be seated. At such time, the alternate shall turn over their credentials and balloting material to the duly elected delegate. However, if the alternate has been selected by the credentials committee per the above rules, and the duly elected delegate has failed to select an alternate, the alternate shall have the right to retain their position as a delegate despite the presence of the duly elected delegate. In the event of a dispute between the alternate and the delegate claiming to be duly elected, the preference group delegation immediately resolves the dispute and informs the credentials committee of the resolution of the problem. Either the alternate or the claimed to be duly elected delegate may appeal immediately the decision of the precinct delegation to the conventions credentials committee. The convention shall uphold or overrule, if requested, the decision of the credentials committee. The business of the convention shall continue, unabated, during the resolution of this dispute.
7. The strength of preference groups shall be determined by the results of the expression of presidential preference by mail. Unbound delegates to the county conventions shall align with a presidential preference or uncommitted group when they are registered for the convention. A delegate shall be required to designate their preference group at the time of his or her registration, and a delegate who refuses to designate a presidential preference group shall be registered by the credentials committee as uncommitted.
8. The county credentials committee shall have the responsibility of determining the initial number of delegates within each presidential preference or uncommitted group.
9. The first realignment of delegates into preference groups shall take place following the report of the credentials committee. At this time, all delegates will be afforded a one (1) hour period to realign with other groups if they so desire. The arrangements committee shall afford delegates the proper facilities to complete this realignment process. During this period, the convention may proceed with other business.

Iowa 2024 Delegate Selection Plan

10. Delegates at the county convention who realign with a different presidential preference group shall then sign a statement that states: "I now support _____ for the Democratic nomination for President." This statement of support shall be signed prior to voting for district/state convention delegates and turned in to the rules committee.
11. Upon completion of the one (1) hour preference group realignment period, the rules committee or their designee shall report to the convention the viable and nonviable groups' status within the convention.
12. The number of district/state convention delegates to which a presidential preference or uncommitted group is entitled to elect shall be determined by the results of expression of presidential preference by mail.
13. The chair of the rules and nominations committee shall announce the number of delegates each preference group is entitled to elect to the district and state conventions. The convention will then divide into its respective preference groups - each seated delegate going to the preference group with which they are aligned.
14. Each preference group shall elect a chair. All elections relating to selection of National Delegates will be supervised and monitored by the appropriate rules committee chair or designee.
15. The first formal action of the preference group chairs shall be to read the following statement: "All public meetings at all levels of the Democratic Party in Iowa shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity, economic status, disability, or status. In order that the Democratic Party at all levels be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the Iowa Democratic Party. Discrimination on the basis of 'status' in the conduct of Iowa Democratic Party affairs is prohibited."
16. The procedure to be used within a presidential preference or an uncommitted group to elect district/state delegates is as follows:
 - a. Any registered Iowa Democrat residing in the same county who desires to run for district/state delegate positions may inform any delegate from the same appropriate preference group. This business must be done prior to the election proceedings of the delegates. Candidates for the delegate positions shall be listed alphabetically on a ballot and lettered or numbered. Additional names may be submitted for nomination. Persons need not be present to be elected but all delegates must be present to vote. A candidate for a district/state delegate position need not be a delegate or alternate to the county convention but must be 18 years of age by Election Day, Tuesday, November 5, 2024, and be registered as a Democrat and reside within the county from which they are seeking election, they must support

Iowa 2024 Delegate Selection Plan

the purposes of the Iowa Democratic Party (those 17 years old who otherwise qualify as candidates for delegate positions, but are not within six months of their 18th birthday are exempted from the registration requirement).

- b. Each delegate or alternate who is an authorized member of a preference group, empowered to vote on the election of the candidate or candidates, shall do so by casting a ballot to select or elect no more than a simple majority of the position(s) being sought by the candidates. In accordance with the National Party Charter, delegates will vote using a signed or identified ballot.
- c. The ballots shall be collected and counted under the authority of the rules and nominations committee. If the number of positions to fill is less than five (5), each elector shall vote for the number of candidates equal to the number of positions to be filled.
- d. No candidate may be elected with less than five (5) votes. All candidates receiving the same number of votes must, without violation of any other rule, either be defeated as a group or else elected as a group.
- e. When those elected have been tabulated, their names shall be read.
- f. Balloting shall continue until all delegate positions have been filled.
- g. The rules and nominations committee chair shall take possession of all the ballots. The ballots shall be preserved for one year.
- h. Each preference group shall then proceed to elect its alternates using the same method as used to elect delegates. Any number of alternates may be elected. Careful records should be kept of the alternates elected, so as to avoid any confusion in seating the alternates at either the district or the state conventions.
- i. The contact information for all duly elected delegates and alternates shall be collected by the preference group chair and provided to the credentials chair of the convention no later than 30 minutes after the conclusion of the convention.
- j. The entire convention shall ratify the election of the entire slate of delegates and alternates to the district conventions. Ratification shall mean only that it is in the sense of the convention that the procedures used by the various preference groups were in conformity with required procedures under the Constitution of the Iowa Democratic Party, and under applicable convention procedures and rules. The standard policies concerning challenges and minority reports shall apply, with such being

Iowa 2024 Delegate Selection Plan

carried to the district affirmative action committee and then to the district convention credentials committee.

17. The procedure for election of district convention committee members shall be as follows:

- a. The number of members to be elected by each county convention to the district convention committees has been apportioned in a manner using a proportional representation system based on the most recent presidential and gubernatorial results.
- b. If the county convention is to elect fewer than three (3) members to each of the district convention committees, then the committee members shall be elected by the convention at large.
- c. If the county convention is to elect three (3) or more members to each of the district convention committees, then the committee members shall be apportioned and elected by preference group.
- d. The number of district convention committee members to be elected within preference groups shall be determined in the same manner that delegates are allocated to the preference groups - proportional to their percentage of the entire convention.
- e. At least ten (10) days prior to the county conventions, each of the county convention committees shall nominate individuals to serve on the corresponding committee at the district conventions.
- f. Additional nominations may be made from the floor.
- g. When there are no further nominations or upon adoption of a motion to cease nominations, the convention chair (or preference groups chair) shall, after giving any nominee the opportunity to decline the nomination, conduct an election to fill the allotted positions.
- h. A simple majority vote of the delegates present and voting of each preference group shall be required to elect district convention committee members.

C. Description of Delegate Selection Process

1. Iowa will use a proportional representation system based on the results of the mail-in presidential preference process for apportioning delegates to the 2024 Democratic National Convention.

Iowa 2024 Delegate Selection Plan

2. The “first determining step” of Iowa’s delegate selection process will occur at the closing of the window for returning presidential preference cards on March 5, 2024.

D. Voter Participation

1. Participation in Iowa's delegate selection process is open to all voters who wish to participate as Democrats. *(Rule 2.A and Rule 2.C.)*
 - a. Any person may vote and/or run for delegate to the county convention, and/or be selected as a delegate to the district/state convention, if they are a resident of Iowa, (in the case of the precinct caucus, they must be a resident of the precinct in which they participate), are eligible to vote in Iowa, and will be at least 18 years old on Election Day, November 5, 2024 (Iowa Code Chapter 43). (Reg. 4.3 C)

Iowa has same-day voter registration. The Iowa Democratic Party will require mail-in presidential preference participants to attest that they did not participate in any other party 2024 presidential nominating process. (Rule 2.A & Reg. 4.3.A & 4.3B)
 - c. At no stage of Iowa’s delegate selection process shall any person be required, directly or indirectly, to pay a cost or fee as a condition for participating. Voluntary contributions to the Party may be made, but under no circumstances shall a contribution be mandatory for participation. *(Rule 2.D & Reg. 4.4)*
 - d. No person shall participate or vote in the nominating process for the Democratic presidential candidate who also participates in the nominating process of any other party for the corresponding election. *(Rule 2.E)*
 - e. Votes shall not be taken by secret ballot at any stage of the delegate selection process, including processes leading up to the selection of DNC Members or State Chairs or Vice Chairs, who serve as DNC members by virtue of their office, except that use of such voting by secret ballot may be used in a process that is the first determining stage of the delegate selection process and in which all individual voters who wish to participate as Democrats are eligible to do so. *(Rule 2.F)*
 - f. No person shall vote in more than one (1) meeting which is the first meeting in the delegate selection process. *(Rule 3.E & Reg. 4.7)*

Iowa 2024 Delegate Selection Plan

been united in protecting the right to vote and free and fair elections. Our re-imagined and professionalized caucus process will ensure an inclusive, secure delegate selection process.

- a. Iowa House Democrats supported cyber security legislation in 2021. The reimagined Iowa Caucuses will use best practices to ensure voters' personal information is kept private and secure. *(Rule 2.H.1)*
- b. Implement transparent and accurate voter registration list maintenance procedures that comply with federal requirements and ensure that every eligible voter stays on the rolls; For the reimagined caucuses, the Iowa Democratic Party will contract with a professional election vendor to ensure best practices are used. *(Rule 2.H.2)*

- d. Iowa has all paper elections. Every vote can be verified. Iowa Democrats will continue to support this process. As a party-run process, the IDP's new expression of presidential preference by mail will ensure a verifiable paper trail. *(Rule 2.H.4)*
- e. Iowa law requires random regularly scheduled manual post-election audits. For the reimagined Iowa Caucuses, the Iowa Democratic party will contract with a professional election vendor who will be responsible for counting, validating, and auditing results. *(Rule 2.H.5)*
- f. The Iowa Secretary of State works closely with the state OCIO, the Iowa National Guard, the U.S. Department of Homeland Security, the FBI, the Iowa Department of Public Safety, Iowa Homeland Security and Emergency Management, and other agencies to protect our election cybersecurity and ensure voters and poll workers are safe in all 99 counties. No voting machines are connected to the internet. The Iowa Democratic Party supports these efforts. For the reimagined Iowa Caucuses, the IDP will contract with a professional election vendor to ensure best cybersecurity practices are used. *(Rule 2.H.6)*
- g. In Iowa, we allow no-fault absentees, voting on election day from a vehicle, and in some counties, accessible voting booths for those who are disabled. The Iowa Democratic Party works actively every election cycle to expand these efforts through its Voter Protection program. The reimagined Iowa Caucuses will be the most inclusive and accessible ever with the mail-in expression of presidential preference. The Iowa Democratic Party will contract with a professional election vendor to ensure the reimagined caucuses use all accessibility best practices. *(Rule 2.H.7)*

Iowa 2024 Delegate Selection Plan

- h. Iowa Democrats have been consistent messengers that you can trust Iowa's voting process and results. Even in historically close elections, Iowa Democrats have emphasized the competence of election officials and only asked for extra steps to ensure voters' voices are heard. The Iowa Democratic Party will contract with a professional election vendor to ensure best practices are used in releasing results from the expression of presidential preference. *(Rule 2.H.8)*
 - i. The Iowa Democratic Party's voter protection operation works every two years with election officials throughout the state and organizes Iowans in their communities to advocate for fair and honest election practices. *(Rule 2.H.9)*

Meanwhile, Iowa Democrats continue to advocate for the rights of voters in state-run elections. *(Rule 2.I and 2.I.1)*
 - a. Iowa Democrats opposed reducing the window for early voting and returning absentee ballots from 40 days to 21 days. Iowa Democrats will continue to strongly support Iowa's laws allowing same-day voter registration, no-excuse early/absentee voting by mail and in-person, and drop boxes. *(Rule 2.I.1.a)*
 - b. Every cycle, the Iowa Democratic Party has launched a robust voter protection through its coordinated campaign. This program regularly communicated with County Auditors about having a sufficient number of voting machines and early voting opportunities for voters at Iowa's more than 1500 precincts. *(Rule 2.I.1.b)*
 - c. The Iowa Democratic Party's Coordinated Campaign consistently has a robust voter protection program. Democrats have worked with County Auditors to encourage absentee voting, early voting in-person, and satellite early voting sites. The reimagined Iowa Caucuses will be conducted entirely by mail and have a long window to both request and return a presidential preference card. *(Rule 2.I.1.c)*
 - d. Iowa Democrats opposed the legislation that required a voter ID in 2017 and have introduced legislation every year since to repeal the law or greatly expand the types of IDs eligible. Our reimagined caucuses will allow registered voters to request a presidential preference card. *(Rule 2.I.1.d)*

Iowa 2024 Delegate Selection Plan

 - f. The Iowa Democratic Party will contract with a professional election vendor to ensure best practices are used to facilitate overseas and military participation in the expression of presidential preference. *(Rule 2.1.1.f)*
4. As part of encouraging participation in the delegate selection process by registered voters, the Iowa Democratic Party will continue to support Iowa's inclusive voter registration rules and apply them to the reimagined caucuses. *(Rule 2.1.2)*

 - c. Iowa House Democrats have sponsored and supported multiple constitutional amendments and pieces of legislation to re-enfranchise felons in the State of Iowa. In fact, the Iowa House has worked in a bipartisan way to amend the State Constitution to specifically give felons the right to vote once they discharge their sentence. Unfortunately, the GOP-controlled Iowa Senate has chosen to not advance any legislation or constitutional amendment. *(Rule 2.1.2.c)*
 - d. Same-day registration is already Iowa state law. *(Rule 2.1.2.d)*

Presidential Candidates

A. Ballot Access

1. There is no specific filing requirement whereby a presidential candidate gains access to the Iowa delegate selection process. (*Rule 11.C, Rule 14.A, Rule 14.C, Rule 14.D, Rule 14.E, & Rule 15.H*)

B. Other Requirements

1. Each presidential candidate shall certify in writing to the State Democratic Chair, the name(s) of their authorized representative(s) by December 1, 2023. (*Rule 13.D.1*)
2. Each presidential candidate (including uncommitted status) shall use their best efforts to ensure that their respective delegation within the state delegation achieves the affirmative action, outreach, and inclusion goals established by this Plan and is equally divided between men and women. (*Rule 6.I*)

Section III

Selection of Delegates and Alternates

A. District-Level Delegates and Alternates

1. Iowa is allocated twenty-six (26) district-level delegates and two (2) district-level alternates. *(Rule 8.C, Call I.B, I.I, & Appendix B)*
2. District-level delegates and alternates shall be allocated to presidential preference groups through a proportional representation system based on non-present participation during the period for expression of presidential preference by mail and will be elected by preference group delegations at the district convention.
 - a. Each district convention shall be called to order at 9:00 a.m, on May 4, 2024. Registration for the district convention shall be from 8:00 a.m. to 9:00 a.m. Official and binding convention business shall begin, with a credentials committee report announcing a quorum as early as 9:00 a.m. Late-arriving delegate registration shall continue from 9:00 a.m. to 10:00 a.m., however, the seating of alternates may begin at 9:00 a.m. and official and binding convention business shall not be delayed until the end of the late-arriving delegate registration period. Alternates with a signed alternate assignment form shall be seated immediately. An alternate receives an assignment form from the delegate they are representing.
 - b. A quorum for purposes of this section shall mean forty percent (40%) of the total delegates elected to the convention. A determination of preference groups shall not be determined until all delegates have been received and approved by the convention.
 - c. The county chair or their designee shall provide to the district credentials chair and an agent of the IDP a list of the elected delegates to the district convention and the preference group to which the delegate purports to belong. Each county chair or their designee shall inform the credentials committee of the name or names of the head of any viable preference group or groups elected during their county convention. (The time period for which all the aforementioned information should be supplied is no more than ten (10) days after the date of the county conventions.)
 - d. In the event the county chair, vice-chair, or recognized head of the

Iowa 2024 Delegate Selection Plan

preference group(s) within a specific county fails to provide the credentials committee with such information as is required, the chair of the credentials committee or their designated representative shall be empowered to appoint a representative of the county or preference group(s) within the county to assemble and provide the committee with the required information.

- e. If a delegate is unable to attend all or part of the convention, an alternate may take their place.

(1) A delegate may name their own alternate, from among the duly elected alternates within the same preference group, in writing on the designated form to the credentials committee.

(2) If a delegate fails to name an alternate, the credentials committee shall seat an alternate based on the following priority order:

- a) Alternates of the same preference group and county as the delegate on a first come, first served basis as determined by when they checked in with the credentials committee.

- b) Alternates of the same preference group and geographically similar county as the delegate.

- c) Alternates of the same preference group in any county.

- d) Any alternate from the county conventions within the district, with the permission of the Authorized Representative of the pertinent campaign who represents the preference group to which the missing delegate was elected.

(3) When an alternate has been designated by a duly elected delegate, they shall do so only until the originally elected delegate shall appear at the convention and request of the credentials committee chair their right to be seated. At such time, the alternate shall turn over the credentials and balloting material to the duly elected delegate. However, if the alternate has been selected by the credentials committee per the above rules, and the duly elected delegate has failed to select an alternate, the alternate shall have the right to retain their position as a delegate despite the presence of the duly elected delegate. In the event of a dispute between the alternate and the delegate claiming to be duly elected, the preference group delegation immediately resolves the dispute and informs the credentials committee of the resolution of the problem.

Iowa 2024 Delegate Selection Plan

Either the alternate or the claimed to be duly elected delegate may appeal immediately the decision of the preference group delegation to the convention's credentials committee. The convention shall uphold or overrule, if requested, the decision of the credentials committee. The business of the convention shall continue, unabated, during the resolution of this dispute. In the case of absentee or remote conventions, the alternate who was selected by the credentials committee per the above rules shall have the right to retain their position as a delegate despite the presence of the duly elected delegate.

(4) When selecting alternates using the above rules, the Credentials Committee must only consider the preference group that elected the alternate to the district convention, and not the preference group with which the alternate realigned during registration.

- f. Delegates must align with the same preference group that selected them at the county convention.

- g. At the time of registration, a district/state delegate shall be required to register with the preference group that elected them at the county convention. Delegates who are in nonviable groups according to Rule h in this section must be given the opportunity to realign with a viable group by selecting from a list of viable groups within the district and confirming that they now "support ____ for the Democratic nomination for President." Delegates may choose to remain in their nonviable group but will therefore not be able to vote for District-Level National Delegates or Alternate.

- h. Viable preference groups will be based upon the state delegate equivalency from all counties within the district as determined during the first determining step – the mail-in expression of presidential preference.

- i. At sign-in delegates must declare which presidential preference group they align with. The district credentials committee shall have

Iowa 2024 Delegate Selection Plan

the responsibility of determining the initial delegates within each presidential preference or uncommitted group and provide that information to the rules committee. Viability will not be determined by the number of delegates. For purposes of this section, any presidential preference group or uncommitted which failed to obtain 15% of the total number of delegates from the mail-in expression of presidential preference shall be declared nonviable.

- j. The chair of the rules and nominations committee shall announce or indicate the number of delegates each preference group is entitled to elect to the national convention. The convention will divide into its respective preference groups for the election of District-Level National Delegates and Alternate - each seated delegate going to the preference group with which they are aligned.
3. Apportionment of District-Level Delegates and Alternates
- a. Iowa’s district-level delegates and alternates are apportioned among the districts based on a formula giving equal weight to the vote for the Democratic candidates in the 2020 presidential and the most recent gubernatorial elections. The Iowa Democratic Party Constitution (Article IX, Section 7) requires using this option and it has proven to best represent the Democratic base in Iowa year after year. *(Rule 8.B)*
 - b. The number of men and the number of women in the state’s total number of district-level delegates and alternates will not vary by more than one. *(Rule 6.C.1 & Reg. 4.9)*
 - c. The district-level delegates and alternates are apportioned to districts as indicated in the following table, assuming no gender non-binary delegates or alternates:

District	Delegates			Alternates		
	Males	Females	Total	Males	Females	Total
#1	3	4	7	0	0	0
#2	4	3	7	1	0	1
#3	3	3	6	0	1	1
#4	3	3	6	0	0	0
Total	13	13	26	1	1	2

4. District-Level Delegate and Alternate Filing Requirements

- a. A district-level delegate and alternate candidate may run for election only within the district in which they are registered to vote. *(Rule 13.H)*
- b. An individual can qualify as a candidate for district-level delegate or alternate to the 2024 Democratic National Convention by submitting a petition designating their singular presidential (or uncommitted) preference and a signed pledge of support for the presidential candidate (including uncommitted status) and signed by one percent of the delegates to the convention with the Iowa Democratic Party no earlier than April 11, 2024. *(Rule 1.A.7, Rule 1.A.8 & Reg. 4.22)*. A delegate or alternate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. *(Rule 13.B, Rule 15.F & Reg. 4.22)* For in-person conventions, the filing deadline must be no earlier than on the day of the convention.

(1) Petitions submitted to the State Chair may be delivered by postal mail or by hand at least twelve (12) days prior to District Convention to the following address: Iowa Democratic Party, 5661 Fleur Dr, Des Moines IA 50321 or by sending a legible electronic copy to chair@iowademocrats.org. This is helpful to the rules committee in preparing ballots ahead of time but is not required.

(2) Petitions submitted to the Chair of the Rules and Nominations Committee shall be submitted according to the published rules of the convention.

(3) Petition forms will be made available by the Iowa Democratic Party no later than April 11, 2024, via the following methods:

- a) by download on the Iowa Democratic Party website (www.iowademocrats.org) and the Iowa Democratic Party Convention website
- b) through postal mail by phone request to the Iowa Democratic Party Headquarters or by email request to info@iowademocrats.org

(4) Petition forms will be available at in-person District Convention beginning at 8:00 a.m. in a location to be advertised by the District Convention Rules Committee.

The State Democratic Chair shall convey to the presidential candidate, or that candidate's authorized representative(s), not later than 30 minutes after the Credentials Committee report is adopted the day of the convention, a list of all persons who have filed for delegate or alternate pledged to that presidential candidate. (*Rule 13.D & Rule 13.F*)
 - b. Each presidential candidate, or that candidate's authorized representative(s), must then file with the State Democratic Chair no later than 30 minutes after they receive the list of candidates, a list of all such candidates they have approved, provided that approval be given to at least three (3) separate individuals for each position for delegate and three (3) separate individuals for each alternate position to be selected. (*Rule 13.E.1, Reg. 4.23 & Reg. 4.24*)
 - c. Failure to respond will be deemed approval of all delegate and alternate candidates submitted to the presidential candidate unless the presidential candidate, or the authorized representative(s), signifies otherwise in writing to the State Democratic Chair not later than 30 minutes after they receive the list of candidates as required in Rule B.
 - d. National convention delegates and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected as a delegate or alternate at that level pledged to that presidential candidate. (*Rule 13.E & Reg. 4.23*)
 - e. The State Democratic Chair shall certify in writing to the Co-Chairs of the DNC Rules and Bylaws Committee whether each presidential candidate has used their best efforts to ensure that their respective district-level delegate candidates and district-level alternate candidates meet the affirmative action and outreach and inclusion considerations and goals detailed in the Affirmative Action section of this Plan within three (3) business days of returning the list of approved district-level delegate candidates and district-level alternate candidates as indicated in Section III.A.5.b of this Plan. (*Rule 6.I & Reg.4.10.C*)
 6. Fair Reflection of Presidential Preference
Caucus/Convention Proportional Representation Plan (*Rule 14.A, Rule 14.B & Rule 14.D*)

Iowa is a caucus/convention state. Accordingly, delegate and alternate positions shall be allocated so as to fairly reflect the expressed presidential preference or uncommitted status of the caucus participants

Iowa 2024 Delegate Selection Plan

expressing presidential preference by mail in each district. Therefore, the national convention delegates elected at the district level shall be allocated in proportion to the percentage of the caucus vote won in that district by each preference according to the final preference at the first determining step, except that preferences falling below a 15% threshold shall not be awarded any delegates or alternates. (*Rule 2.K.5, Rule 14.B & Reg. 4.28*)

- b. Within a district, if no presidential preference reaches a 15% threshold, the threshold shall be half the percentage of the vote received in that district by the front-runner. (*Rule 14.F*)
- c. Only delegates in groups that are declared not viable shall have a reasonable time, as determined by the rules adopted by the convention, in which to realign with a viable preference group. Delegates may choose to remain in their nonviable group but will therefore not be able to vote for delegates to the national convention. Delegates participating in the convention who realign with a different presidential preference group shall then attest to a statement that states: "I now support _____ for the Democratic nomination for President." This statement of support shall be confirmed prior to voting for national convention delegates.
- d. National convention delegates will be allocated to presidential preference groups based on the results of the caucus' mail-in expression of presidential preference.
- e. The chair of the rules and nominations committee shall announce or indicate the number of delegates each preference group is entitled to elect to the national convention. The convention will divide into its respective preference groups - each seated delegate going to the preference group with which they are aligned.
- f. All elections relating to selection of district-level national delegates will be supervised and monitored by the appropriate rules committee chair or designee.
- g. The first formal action of the preference group shall be to read the following statement: "All public meetings at all levels of the Democratic Party in Iowa shall be open to all members of the Democratic Party regardless of race, sex, age, color, creed, national origin, religion, ethnic identity, sexual orientation, gender identity and expression, economic status, or disability. In order that the Democratic Party at all levels be an open Party, which includes rather than excludes people from participation, a program of effective affirmative action has been adopted by the Iowa Democratic Party. Discrimination on the basis of 'status' in the conduct of Iowa Democratic Party affairs is prohibited."

Iowa 2024 Delegate Selection Plan

- h. The procedures to be used within the presidential preference or uncommitted groups to elect national delegates and alternates shall be as follows:
 - (1) A petition for the national delegate position shall be considered a valid petition for the national alternate position.
 - (2) All valid and official candidates for national delegate positions shall be listed on a ballot.
 - (3) Each delegate who is an authorized member of a preference group empowered to vote on the election of the candidate(s) shall do so by ranking each candidate.

A delegate or alternate candidate may modify their singular presidential preference by submitting an updated pledge of support no later than the filing deadline. (Rule 6.C)

- (6) National convention delegate and alternate candidates removed from the list of bona fide supporters by a presidential candidate, or that candidate's authorized representative(s), may not be elected at that level as a delegate or alternate pledged to that presidential candidate (including uncommitted status). (Rule 14.C)

- 7. Equal Division of District-Level Delegates and Alternates
 - a. To ensure the district-level binary-gendered delegates are equally divided between men and women (determined by gender self-identification) the gender of the first binary delegate elected in each district will be designated. At the time of election of delegates in the district, the binary gender advantage will alternate as delegate positions are filled and the alternation shall continue across presidential preferences in order of vote-getting preference. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total delegate allotment. (Rule 6.C., Rule 6.C.1 & Reg. 4.10)
 - (1) In states where delegates are selected in caucuses or post-primary caucuses, the delegate positions shall be pre-designated so that the gender of the first position to be filled by the winning presidential candidate is predetermined. Once the allocation of district delegates among presidential preference(s) has been calculated, the remaining delegate positions can be assigned to the presidential preference(s), in

Iowa 2024 Delegate Selection Plan

order of vote won, alternating by gender. In the case of non-binary gender delegates, they shall not be counted in either the male or female category, but do count towards the total allocation of delegates.

- b. After the delegates are selected, the alternates will be awarded, using the same process described above.
8. The State Democratic Chair shall certify in writing to the Secretary of the Democratic National Committee (DNC) the election of the state's district-level delegates and alternates to the Democratic National Convention within ten (10) days after their election. *(Rule 8.C & Call IV.A)*

 - c. The certification process for the Automatic Party Leader and Elected Official delegates is as follows:

7. The Affirmative Action Committee will develop a State Party strategy to be implemented beginning no later than 90 days before the window for returning presidential preference cards begins that will provide education programs directly to voters who continue to experience confusing timelines for voter registration and deadlines for changing party affiliation, or who are unaware of the process for running for delegate, so that all Democratic voters understand the rules and timelines and their impact on voter participation. *(Rule 4.B.5)*

D. Efforts to Publicize the Delegate Selection Process

1. The State Party shall direct special attention to publicizing the delegate selection process in the state. Such publicity shall include information on eligibility to vote and how to become a candidate for delegate, the time and location of each stage of the delegate selection process, and where to get additional information. The foregoing information will also be published in the State Party communications and on the State Party's website. The Party organization, official, candidate, or member calling a meeting or scheduling an event, shall effectively publicize the role that such meeting or event plays in the selection of delegates and alternates to the Democratic National Convention. *(Rule 3.C & Rule 3.D)*
2. The State Party shall have a Delegate Selection Media Plan for using all available and appropriate resources, such as social media, websites, newspapers, radio, and television, to inform the general public how, when, and where to participate in the delegate selection process. Specifically, the Delegate Selection Media Plan will provide details as to how to qualify to run as a delegate candidate. Regular updates should be posted/released throughout the state's delegate selection process to ensure broad and timely coverage and awareness about the process to all interested persons. *(Rule 4.B.3 & Rule 6.D)*
3. A priority effort, as described in the Delegate Selection Media Plan, shall be directed at publicity among the Democratic Party's constituencies.
 - a. Information about the delegate selection process will be posted on and made available to social and specialty media directed toward the Democratic constituency groups set forth in the introduction of this Affirmative Action Plan and Outreach and Inclusion Program.

E. Obligations of Presidential Candidates to Maximize Participation

1. Presidential candidates shall assist the State Democratic Party in meeting the demographic representation goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program. *(Rule 6.H)*
2. Each presidential candidate must submit a written statement to the State Democratic Chair by December 1, 2023 as specified in the Call to Caucus, which indicates the specific steps they will take to encourage full participation by their supporters in Iowa's delegate selection process, including, but not limited to, procedures by which persons may file as candidates for delegate or alternate pledged to the presidential candidate. *(Rule 6.H.1)*
3. Each presidential candidate must submit demographic information with respect to all candidates for delegate and alternate pledged to them. Such information shall be submitted in conjunction with the list of names approved for consideration as delegate and alternate candidates pledged to the presidential candidate. *(Rule 6.H.2)*
4. Presidential candidates shall use their best effort to ensure that their respective delegates, alternates, and standing committee members shall achieve the affirmative action goals reflected in the Affirmative Action Plan and Outreach and Inclusion Program and that the number of men and the number of women in their respective delegations shall not differ by more than one (as determined by gender

Furthermore, presidential candidates shall use their best efforts at the district level to approve delegate, alternate, and standing committee candidates who meet applicable equal division and affirmative action considerations to promote and achieve the state's affirmative action, outreach, and inclusion goals and equal division for their respective delegations. (*Rule 6.C., Rule 6.I & Reg. 4.10*)

F. Outreach and Inclusion Program

1. The Iowa Democratic Party is committed to helping achieve full participation of those groups of Americans who have historically been explicitly denied the right to vote or who have been subjected to discriminatory and exclusionary practices that have denied them voting rights and full participation in the delegate selection process and other Party meetings, events, and elections, along with other groups of Americans who are also underrepresented in Party affairs.
2. As such, the State Democratic Party has developed outreach and inclusion programs and is committed to fully implementing the programs so that all persons who wish to participate as Democrats understand they are welcome and encouraged to be a part of the delegate selection process and in the Party at the local, state, and national levels.
3. The State Party will make accommodations to facilitate greater participation by people with disabilities.
 - a. The Iowa Democratic Party will implement the most accessible caucus process ever by moving expression of presidential preference to a mail-in system. The IDP will work with its vendor to ensure the presidential preference card utilizes best practices in accessibility and the submission process of cards makes appropriate accommodations.
 - b. All caucus and convention sites at all levels must be held in places accessible to all Party members and large enough to accommodate all interested persons.
 - c. Should anyone be unable to participate in the precinct caucuses, they can petition the Iowa Democratic Party Chair no later than a date to be included in the Call to Caucus, requesting accommodation, which will be reviewed by the Affirmative Action Committee.
4. In addition to the education, publicity, and other steps described above, the State Party will charge the Affirmative Action Committee to create a proactive detailed constituency outreach, inclusion, and education program for each of the following constituencies: women, African Americans, Latinx/Hispanics, Asian Americans and Pacific Islanders, LGBTQ+ Americans, people with disabilities, youth, seniors, to
