

Constitution of the Iowa Democratic Party

As amended on June 13th, 2026

Preamble

We, the people of the Iowa Democratic Party, in order to organize and perpetuate a representative, effective, and responsible party organization in the State of Iowa, advance the interests of the Democratic Party nationally, sustain and advance the principles of social justice and democracy, and uphold civil rights, civil liberties, and constitutional government, do establish this Constitution of the Iowa Democratic Party.

Article I – Name, Membership and Party Structure

Section 1 - Name

This organization shall be known as the Iowa Democratic Party.

Section 2 - Eligibility to Participate

To be eligible to be elected to voting roles with the Iowa Democratic Party, a person must be: at least 18 years of age as of the date of the next General Election, a resident of Iowa, registered as a Democrat, and support the purposes of the Iowa Democratic Party.

Section 3 - Young Persons

A person who meets all of the requirements of Section 2 of the Article except for age, shall be eligible to participate as full party members except for voting and holding of elective positions within the party, or as restricted by Iowa law.

Section 4 - Non-Citizens

A person who will not be naturalized and therefore not eligible to vote in the next General Election but otherwise meets the requirements of Section 2 of this Article shall be eligible to participate as full party members except as restricted by Iowa law.

Section 5 - Members

Unless specifically denied such right by law, all members of the Iowa Democratic Party shall be eligible to participate in all activities of the Party; eligible to be elected as delegates to conventions; eligible to be elected to an office in the Iowa Democratic Party; and eligible to vote on any motion, resolution, nomination, or election affecting the Iowa Democratic Party at any meeting, caucus, conference, or convention in the state, districts, counties, or precincts if elected to a position with such voting rights. At the time of such service, holding office, and/or voting, such person must be a resident within the geographic boundaries of the political subdivision they wish to represent.

Section 6 – Party Structure

The Iowa Democratic Party Structure is a decentralized, tiered system that starts with Democratic voters who attend their precinct caucus. From there, County Central Committee members are elected. The County Central Committee members elect Congressional District members (see Article III). A linked structure of conventions starts at the precinct level and progresses to County, District, State, and National levels. See Articles II through VI for additional information on the structures and responsibilities of each of these levels.

Article II - Precinct Caucuses

Section 1 - Party Foundation

Precinct caucuses are the first step of the organizational structure of the Iowa Democratic Party. Democrats who attend and participate in their precinct caucuses are the foundation upon which the Iowa Democratic Party is built, reorganized, and strengthened.

Section 2 – Even vs. Odd Year Restrictions

A. Caucuses in Even-Numbered Years:

In even-numbered years, precinct caucuses shall be held upon a call issued by the State Chair of the Iowa Democratic Party, subject to the approval of the State Central Committee of the Party.

The State Chair shall issue the call at least 90 days before the scheduled date of the precinct caucuses. The Call shall specify the date and time for the Caucuses and the County, District, and State conventions. The Call shall be distributed to all County Central Committee officers and all major news media in the state.

Precinct caucuses shall be convened for each precinct within the state. At the discretion of the State Central Committee, attendance and participation may be allowed at precinct caucuses via an online method. The same level of security and assurance of identity and voter registration shall apply to online participants as is required of in-person participants.

County Central Committees shall arrange for the caucus sites according to the following priority order:

1. Public meeting facilities or sites used for public meetings located within the precinct boundaries.

2. If no appropriate location is available within a precinct's boundaries, a public meeting facility in an adjacent precinct.
3. Multiple precincts may meet at a common site, but each precinct will conduct business separately at that site.

It is permissible for a Democrat who resides in a different precinct to chair a precinct caucus. No person who does not live in a specific precinct shall make a motion, second a motion, or vote on any motion.

Those members of the Iowa Democratic Party in attendance who are eligible to vote at a caucus, as provided by the Statutes of the State of Iowa, shall:

4. Elect, by majority vote, precinct committee members who shall serve on the County Central Committee. The number of precinct committee members representing each precinct shall normally be two. County Central Committee Constitutions or Bylaws may provide for additional central committee members, either the same number per precinct or based upon the weighting stated in Article IX, Section 7.
5. The initial elections to fill such additional positions shall occur at the precinct caucuses of an even-numbered year.
6. May elect by majority vote, alternate precinct committee members who shall serve, as specified herein, on the County Central Committee in place of elected precinct committee members unable to fulfill their responsibilities.
7. Elect delegates and alternate delegates to represent the precinct at their County Convention. The number of delegates to be elected shall be determined by the size of the County Convention and a formula of proportional representation.

8. The target number of delegates to a county convention shall be set by the county chair with approval of their county central committee.

9. In presidential years, the election of delegates to the County Convention may be by Preference Group.

10. Discuss and may indicate priorities regarding such issues of national, state, and local importance or interest as those in attendance determine. Platform Resolutions or issue statements adopted by a precinct caucus shall be forwarded to the County Platform Committee.

11. Elect by majority vote members and alternate members of the Platform Committee and the Committee on Committees. Alternate members of the convention Committees may only serve in place of an elected member who is unable to fulfill their responsibilities from the same precinct.

Transact such other party business as may come before it.

B. Caucuses in Odd-Numbered Years

Caucus meetings in odd-numbered years shall be held upon the call of the State Chair of the Iowa Democratic Party, with the approval of the State Central Committee. In the first quarter of each odd-numbered year, a caucus shall meet for each precinct. The same selection of location and participation options outlined in Paragraph A of this Section applies.

The State Chair shall issue the call at least 90 days before the scheduled date of the precinct caucuses. The Call shall specify the date and time for the Caucuses. The Call shall be distributed to all County Central Committee officers and all major news media in the state.

By a majority vote of those members of the Iowa Democratic Party in attendance:

- May nominate by majority vote a person from that precinct to fill a vacancy on the county central committee. Committee members nominated during the off-year caucus shall stand for election at the next county central committee meeting and if elected, serve until the next even-year precinct caucus is called to order, unless removed per Article III, Section 1. Central Committee members shall receive notice of the election in the timely notice of the meeting.
- Discuss and may indicate priorities regarding platform resolutions on such issues of national, state, and local importance or interest as those in attendance may determine; and forward such resolutions to the County, District, and State Platform Committees for such action as their members may wish to take.

Vacancies on the Committee shall be filled as soon as possible from alternate precinct Committee Members elected as per Article II, following majority vote of the County Central Committee attending any official committee meeting provided that due notice of such election was previously given. If allowed by the Bylaws of the County Central Committee in question, an alternate precinct committee person may also serve as a substitute at a regular meeting or portion of a central committee meeting if the elected committee member is unable to attend.

If no alternate precinct Committee Members are elected at the precinct caucuses, the vacancy shall be filled, as soon as possible from a pool of Democrats nominated by one or more members of the central committee, by majority vote of County Central Committee attending any official committee meeting provided that due notice of such election was previously given.
